When we was asked to come down to the set after getting make-up done, we said we were too tired and could they bring the camera's here so we could shoot in the art area. We partied a little too hard last night and just want to take it a little easier. Just throw a quilt down on the floor, get us our dildo and double dong to use and we'll be happy. It's not that we don't want to have sex, we just want to get into it slowly.

micalah & chastity

I'M READY TO GO. JUST BRING OUT THAT BIG LENS OF YOURS AND SNAP AWAY!

We love using our fingers and tongues because they are the best sex toys. But we have to admit that a long, thick double dong is a close second. That makes us hotter because our simultaneous moans arouse us even more. We think the crew got aroused on us because we could see all the bulges on the guys around us. It's really too bad that guys' cocks don't vibrate. Imagine what that would be like, real live flesh and vibrations, too. We women would get off in a New York minute. In the meantime, this will have to do. You don't mind, do you?

She didn't want to be married. She was only 19, and had the sex drive of a wild woman. No man could keep up with her, and one man definitely wasn't enough to satisfy her needy pussy. But her wealthy parents didn't want her to get herself into trouble and ruin her reputation, so they set her up. Soon after her 19th birthday, her parents gave her a choice: she could marry the older man who was rich, or they would disown her, leaving her with nothing. She couldn't even think what it would be like to have nothing, so she reluctantly agreed to get married to him.

bliss

I WASN'T GOING TO DO THIS SCENE BUT THE SIGHT OF A BIG COCK CHANGED MY MIND!

After she did she found that her husband wasn't all that bad. But he wasn't adventurous enough for her. Bliss knew she couldn't deny herself anymore. She was faithful for four months and would go crazy if she stayed faithful any longer. The next morning, a hunky repair man knocked at her door. Before he even had his tools out, the little vixen was rolling around on the bed showing off her yummy goods to him. He found her so tight that every pump of her pussy made the stranger scream. No matter how many positions they did, her pussy needed more. It wasn't letting go of the hard cock until the afternoon was over.

i can't say no

I'm 26 years old and an adjunct professor at a small Atlantic Coast university in South Carolina. That means I'm not a full time prof. I come in to give lectures or assist the full-time profs with their classes. It's a good gig right now. I don't work every day and I like my time off. I bicycle to the campus and love to walk around and see the nicely manicured grounds and, of course, all the pretty young coeds. Now don't get me wrong. I said I like to look.

My schedule for the week has me waking up early and cycling to the university every morning. I get there the exact same time, even in rainy weather, and see the same students walking to their first classes. There's one coed that comes to my class who looks to be nineteen or so. She's always overburdened with textbooks and has dropped them many a time as she settles into her seat. She dresses conservatively, but my instincts tell me that she may be

a little wilder than she seems. I think her name is Gia, but I'm not sure with one hundred students in my class.

The bell rings and the muffled noises of students seating themselves dies down and I begin to talk. Today I'm lecturing on the virtues of the Norwegian health care system versus our health care, so I talk, and talk, and talk until the end bell rings and that flurry of them getting up and leaving fills the room. I watch the students empty the lecture hall, and notice Gia coming down towards me. Strangely, I felt something in my pants tingle at the sight of her getting closer. That had not happened before.

"Professor, do you have a minute?" she asked.

"Yes, of course... Gia, isn't it?" I ask.

"Yes, hi." she says. "I think I'm having a bit of a hard time understanding your lecture today. While I understand the differences in the two health care systems you talked about, I don't see the economic impact each has on their respective countries. I especially didn't understand the differences between the Australian and South African systems you alluded to." she says.

I'm stunned and amazed that someone actually listened and thought about what I said. I looked at her for a moment, taking in her pretty eyes and soft (I assume) skin.

"Gia, I can adjust my notes and go a little more into depth on that in my lecture on Wednesday. There isn't enough time to discuss it here and now. I hope that will work for you." I say with just a hint of sarcasm.

She smiles, nods okay and I watch her walk up the stairs and out of the lecture hall. My next class is coming in now, but all I can think about is that cute little coed who is actually interested in what I'm teaching. My day finally ends and I cycle home. I think about her on and off as I prep for my next day's lectures. I lean back in my chair and think about my first year in college. The first time I had sex with a girl at college was with one a couple years older than me. She was a junior and I had only been there a month. Her name was Annie and she was about one hundred pounds, five foot six with long brown hair to her shoulders, and perky twenty-year old boobies. I remember she loved to show off around campus in a short belly shirt with no bra. This drove all the boys crazy to see that walking into the quad.

My dorm shared the same lunch hall with hers. One day she came over to our table and asked if she could sit. She said all the other seats were taken. I stumbled over my words to say 'yes.' and she smiled as she set down her tray. We talked throughout the half-hour we had for lunch as I brought my "A" game. It was 1:30. As we took our trays to their station, she said she didn't have another class until three. I had one at two, but some said that I didn't either.

"Good." she said. "Let's go to your room and listen to Coldplay. she says. "You do have Coldplay?"

SHE CAME OVER TO MY BED, WHERE I WAS LOUNGING AND SAT ON THE EDGE. SHE PULLED HER TOP OFF RIGHT THERE IN FRONT OF ME AND EXPOSED TWO PERFECT BREASTS. MY MOUTH DROPPED AS I COULDN'T TAKE MY EYES OFF THEM.

"Of course," I said. "Everyone of their CDs."

We walk into my room with her behind me and she closed and locked the door. She winked and walked over to the CD player and found a Coldplay disc and put it in. I enjoyed her company and we shared college stuff for over an hour. She came over to my bed, where I was lounging and sat on the edge. She pulled her top off right there in front of me and exposed two perfect breasts.

"Do you like?" she cooed. I muffled out a 'yes' as she took my hand and brought it up to her right breast. I squeezed lightly as I felt her hands reach for my pants button and zipper. Deftly she undid them both and put her hand inside searching for my cock. It was already half-way to greeting her fingers as she grabbed hold and squeezed. I stood in

front of her and let her pull my pants and boxers down. Then she pulled her top over her head and threw it on the bed. I reached for her jeans and unbuttoned them and pulled them down. She wasn't wearing panties and the sight of her tightly trimmed pubes was a huge turn on.

I sat on the bed leaving room for her on the other side. We ran our hands over each other's bodies as we kissed. It was only a few minutes when she dropped her head down and I felt her lips and tongue wrapped around my cock. She was sucking me so hard, pulling the blood to the head of my cock. I felt something I've never felt before as my heart started pounding really hard. I tried to push her head off me but she kept it there, going all the way down on it. I realized I needed to relax and just kicked back to enjoy it. I'll be fine. Just lay there and enjoy getting your freshman college cock sucked by this wild-ass junior.

As she sucked up and down, I didn't know how long I could last, but then she pushed me down on the bed and got into a 69 position over me. She told me to lick her. I looked up at her pussy and I was speechless at this close up view of this girl's privates. Her pussy lips glistened with sweat and pussy juices. It was beautiful. My cock got harder as my tongue reached up and parted her lips, slightly spreading them apart. Her tight pink asshole seemed to be pushing in and out by itself as I was licking her. The view was spectacular.

Then, I went crazy and started licking her anus. First, up and down to her pussy ending at her clit and back up again, repeating this for several minutes. I could hear her moans and groans through her cock sucking. She never loosened her tightly wrapped mouth around my rock hard cock and suddenly I shot thick ropes of cum into it. Stopped long enough to swallow and catch her breath. LouAnne, from Memphis, smiled at me still catching her breath. She climbed off me and I watched that sweet pussy get further away. But no problem, I'm about to fuck it soon. and she's goona see how it feels from a virile nineteen year old college man!

THEN, I WENT CRAZY AND STARTED LICKING HER ANUS. FIRST, UP AND DOWN TO HER PUSSY, ENDING AT HER CLIT AND BACK UP AGAIN, REPEATING THIS FOR SEVERAL MINUTES. I COULD HEAR HER MOANS AND GROANS THROUGH HER COCK SUCKING.

She sat up on the bed, leaning back against the wall and spread her legs, bringing her knees up. She started stroking her clit and shoving her fingers inside her pussy. I'm looking at her sweaty naked body and listening to her moans, making me hard again.

"I see you're ready again." she says with a smirk..

PIPER

It's been a few years that me and my tiny pussy have been in this business. We've met many a big, no... huge, cock and I've taken them all. It's been a fun ride, but on the cocks and in the biz. So next time you see me having fun, join along with me.

PIPER
PERRI

newbie Lily is young, fit and a total firecracker when she's in front of the camera. She was feeling horny as hell and her hands and pussy were already in the mood by the time the photographer's assistant had set up. Sticking her butt out into the pose requested, the tiny blonde dropped her clothes one by one. Her breasts were so cute and her butt smooth and tight. Her little pink pussy had the sexiest look and smell. While she was playing it up for the camera, cooing and moaning as she pulled out her little pink toy and began to pleasure herself with it.

lily

I WAS A REALLY BIG GEEK IN HIGH SCHOOL. I'M SO GLAD THOSE DAYS ARE OVER!

And she's not doing it just for the camera. Taking a break so the camera can be reset, Lily backs herself into the corner of the sofa and continues to play with herself. Apparently she wants to get that vibe as wet as possible. Ready again, the photographer asks her to get on her knees and push that sweet little butt into the air. Immediately she does and in goes the vibe once again. The crew had positioned themselves all around to get good views of the action. Her sweet face contorts in pleasure and joy as the sensations build up within, and minutes later she cums all over her toy.

going down at the local bar

Even though I'm a college student, something happened that I just got to write and tell you about it. My buddy Jeffrey and I (I'm Vince) are Vikings. That's Southern Texas State College for the uninitiated. We like to have fun and get as much nookie as possible before we have to settle down into jobs and careers. Don't you?

We heard of a new bar that opened up not too far from campus so we headed down there one Friday afternoon after classes finished. When we walked in, we noticed it was like a Hooters rip-off with a little sluttier looking waitresses and outfits. But when we sat down, the waitresses didn't look so bad. Our hopes were high as we hoped they would be.

The name on the badge of our server said 'Sparki.' Cute name, we thought. I ordered bourbon on ice and Jeffrey had a beer. Sparki took the order in her red vinyl bikini top and a red mini-miniskirt that barely covered her buttcheeks. Her top

was tight and low, showing off her big boobs. We couldn't help but stare at her chest as she was coming back to our table with the drinks. When she placed them down, she leaned over and one boob almost fell out of her bikini top. She knew we got a good look at her enormous breasts. Walking away, we saw her cotton panties had crept higher and tighter into her ass crack revealing more ass than panty.

The bar was okay. There were these private booths along one side, pool tables and, what they called a 'music center' next to it with a DJ booth. We decided to head for a booth so we could scope out the room and watch who came in.

Another waitress served us at the booth. Her name was Farrah and her boobs were even bigger and badder than Sparki's. Jeff and I looked at her and she flirted right back. As she left the booth area she pointed out that the curtains on either side could be

drawn for privacy if we wanted. We looked and said, 'No, we were fine.' She said it was set up that way for people who wanted to make out could do so in privacy. But there was a five minute limit on how long they could be closed. We asked who timed it and she said the waitresses had to. Cool idea, we thought. Next time we'll bring some chicks and test it out. That'd be fun.

So a couple hours had passed and we put down over \$100 in booze. The place filled up a little more but was still only half full. It was pushing 11 pm and we were debating leaving when Farrah came by with our last drink. We invited her to come sit with us and she said she'd consider it since her shift was ending at 11. We suggested she come back with her own drink that we'd pay for and just sit with us and tell us more about herself and the bar.

About five after 11 she showed up, still in her work clothes. Her boobs shouted out to be motorboated and her fine figure sat right down between us. After several minutes of lame conversation and some verbal sloppiness thrown in for good measure, we ask

her if she'll consider fooling around with us behind the curtain. She says 'no' at first but we pull out a couple hundred between us and laid it down. "We could order some more drinks." I say with a wink. She laughs and adjusts her top so more cleavage shows. I pull out my last fifty and throw it down. "Will you put on a little show for us?" I ask. Jeffrey pulls the curtain shut and she stands up and begins to gyrate. She pulls her top up releasing her beautiful boobs in the dim light. She shakes and fondles them, paying nice attention to her nipples. Then she takes one breast and brings it up her mouth and licks her nips. Then does the same to the other one. While she's licking the second nip, I move in and lick the free boob. She pulls away a little, but relaxes and lets me continue. Seeing his chance, Jeff does the same to the other one. Stereo boob lickers. Cool.

After a couple more minutes, Farrah stands up saying she should leave. Jeffrey grabs the curtain and holds it shut. "Please don't leave, we want some action." Farrah was surprised. She wanted it alright, but didn't want

it now. She knew she couldn't talk us out of it, so she relented and relaxed. She reached for his crotch, and he understood. Unzipping his jeans, he brought his man-hood out, which was at least 8 inches long. Farrah's eyes widened. How is she going to fit all that man sausage into her tiny holes!

He turns her body on the table so he can enter her. Jeff pulls her little skirt up and pulls her panties aside, showing her shaven pussy, wet and ready. He opens her legs and pulls her knees up and shoves his big cock into her. I am working her boobs, massaging them like fluffy pillows and pinching her nipples to get even harder. In and out he pumped with a hand over her mouth to squelch her moans. He was about to cum, and she was too. She climaxed first, her pussy clamping down on his dick. He struggled to pull it out, but did at the last second and when his jizz squirted out, he aimed at her mouth. Farrah opened wide, swallowing and then sat up to clean his member off. "Let me fuck your boobies." he said as he sat her up and positioned himself between them.

He grabbed them and pushed them onto his cock, rocking back and forth. Every time he pumped forward, Farrah tried to reach his cock with her tongue. The two were nearing to a climax again when suddenly someone opened the curtain. "I thought you were gonna wait for me?" It was Sparki saying it to Farrah. Her shift must have ended at 11 also. "Come on in, Vince needs some company, too." That was good timing because I was starting to get a little jealous.

Sparki pushes me deeper into the booth and sits next to me. Immediately

her hand unzips my pants to find my member already dangerously close to exploding. She grabs my cock and starts to stroke it up and down. Feeling cramped, I stop her and get on my knees on the booth seat, putting my cock at mouth level for Sparki. She eagerly starts to suck me off. Her tongue swirls around the head and her left hand strokes the shaft while the fingers of her right hand take my balls and plays them like a pair of dice in a hot gambling hall.

I pull her head in tighter and fuck her mouth. My cock's not as big and Jeffrey's so I can fuck her mouth comfortably for the both of us. I reach both hands down and grab her boobs, kneading them like dough. She grabs my buttocks and pulls me deeper into her mouth I can feel her tongue swirling around my shaft in her mouth. Her head pulls back and she pushes my cock straight up. Her tongue attacks my balls with soft wetness and saliva, then takes first one then the other into her mouth and does her

tongue swirling thing to them. I hope I've painted a good picture of what's going on because it's about to get a whole lot crazier.

Farrah shimmies across the table putting her face closer to Sparki and me. Sparki breaks away from my bj and gets up on the table to sixty-nine Farrah from the top. These two girls are putting on a show for us right there, inches away from us. I stick my fingers into Sparki's pussy as Farrah licks her. Jeff positions himself and sticks his cock between Farrah's pussy and Sparki's mouth, fucking them sideways. Sparki obliges and sucks him while fingering Farrah's pussy.

I get closer to the table and stick my cock into Sparki's soaking wet pussy as Farrah reaches for my balls. I pull out and Farrah pulls my cock into her mouth and sucks all of Sparki's pussy juices from it, then sticks it back in. And pulls it out, licks it clean and sticks it back in. Three more times and I cum.

Farrah takes it in her mouth and swallows it easily. On the other side of the table, Jeff pops again and Sparki takes that one in her mouth, sucking and milking him hard to get every drop out of him. He and I plop back down on the seat as the two girls finish each other off. Suddenly there was a muted applause coming from the other side of the curtains. I look up and see eyes peeping through the edge of the curtains on either side.

Our secret's out, I thought and stuffed myself back into my pants and left the booth. Once back in the bar, I saw that the television sets around the place had been showing our little indiscretion. The two girls were still on camera moaning and cumming. I watch on one of the sets as another round of applause happens. I notice that there are low light images and greenish night vision images on different sets. One set was still showing the a basketball game.

The two girls finally get themselves together, pull the curtains back, and exit the booth with Jeff right behind them. More applause, fist pumps and woof-woofs break out and the three take a bow. I was shocked but very amused at what just went down. We thanked the girls, bought them another round of drinks and left the bar with huge grins and enough stories for a month. As we walked out the manager came over and told us not to say anything if we wanted to return. That way the show could go on.

We agreed and have gone back every weekend to watch others get into the same situation. We are sometimes audience, sometimes participants. Either way we are having the time of our lives!!!
